The advertisement features a black background with two Fenix ALP-10 flashlights and two black nylon holsters. The holsters are shown from different angles, highlighting their design and the silver-colored metal snap. The Fenix logo is in the top left corner. The text 'HAVE YOUR FLASHLIGHT FULLY PROTECTED' is in large orange letters, followed by 'ALP-10' in large white letters. Below this, 'FLASHLIGHT HOLSTER' is written in white on an orange rectangular background. At the bottom right, there are four orange icons with corresponding labels: a woven pattern for 'Nylon material', a downward arrow for 'Hot-press molded', a diagonal line for 'Quick-release design', and a plus sign in a square for 'Favorable appearance'.
